Central WI Talented and Gifted (CWTAG) Network Meeting

The CESA 5 Gifted and Talented Coordinators' Network Meetings are designed to build a Professional Learning Community (PLC) and collegial support through the interaction of the group. This meeting will provide tools and resources to facilitate your GT educator professional development.

Discussion topics at the February 11th meeting may include GT grant advisory planning (for 2016-17), Game Design for STEM Learning updates (2015-16 GT Grant), Differentiation strategies for GT, the Next Generation Science Standards (NGSS) for GT students, CWTAG events planning, model GT programs, developing program plans, cooperative work groups and more.

Members are asked to submit agenda items to Dorothy Ginnett, ginnettd@cesa5.org
A tentative agenda will be distributed to members prior to the meeting.

Dorothy Ginnett is the Science Curriculum Specialist for CESA 5. She is a WI Professional Educator and has experience teaching in the CESA 5 region, both secondary (6 - 12) and college-level science in face-to-face, blended and fully online classrooms. Dorothy also has experience teaching professional development courses in Environmental Science for K-12 Educators. Dorothy earned a Ph. D. in Wildlife Ecology and serves as an Online Advisor for the National Science Teachers Association (NSTA).
