College and Career Ready IEPs: Early Childhood Style...
Networking Opportunity

April 11, 2017
9:00 am - 3:00 pm

CESA 10 Conference Center

As a group we will discuss:

- The 5 step process and beliefs of CCRIEPs
- The difference between disability related needs and effect of disability
- Ways to address family engagement
- Tools to help write functional and measurable goals that address a child's individual needs
- What early literacy needs means in early childhood
- What access, participation and engagement in age appropriate activities mean in early childhood
- Ideas on facilitating parent friendly meetings to write CCRIEPs
- What areas we need more resources, training and support on when writing and gathering data for CCRIEPs

Participants should bring an IEP to review during the training.
