RAPID CYCLE OBSERVATION FEEDBACK TRAINING

for EP (CESA 6) Model Districts

There is no cost for CESA 4 EP Districts: Bangor, Black River Falls, Cochrane-Fountain City, Whitehall, and Wonewoc-Union Center

Virtual Training
August 8, 2022
8:30 a.m. to 11:30 a.m.

The Rapid Cycle Feedback Process has been developed to enhance the Effectiveness Project (EP) Performance Evaluation system. Learn how to improve your ability to provide high-quality observational feedback that results in rapid shifts in educator practices.

The Rapid Cycle Feedback Process provides a collaborative observation experience consisting of frequent, short, focused observations followed by timely feedback resulting in rapid improvements in educator practices and improved student outcomes.

This training will provide an in-depth look at the Rapid Cycle Feedback Process and engage participants with the best practices, supporting forms, and staff training materials that will ensure a successful implementation of Rapid Cycle Feedback.

Participants will:

- Gain an understanding of the Rapid Cycle Feedback Process
- Access resources to support the implementation of Rapid Cycle Feedback
- Learn tools and strategies to increase efficiency and effectiveness of the educator observations
- Use focused observations to provide high-quality actionable feedback.
