

The CESA 6 Instructional Services Center Presents:

# 2014—2015 BYOC (Build Your Own Curriculum) Network

October 14, 2014 • February 12, 2015 • May 11, 2015

## Facilitator: Mary Ann Hudziak

CESA 6 Coordinator of Mathematics and ESEA Support

### Description

Build Your Own Curriculum may be a new product for you or perhaps you have used it for a long time, but either way, this networking opportunity is for you!

Curriculum and assessment is one way to monitor student learning. However, it is difficult to measure something if there is no documented data. Join colleagues to share your experience with the BYOC system and bring your questions. Each network meeting agenda will be built from member requests. **Morning and afternoon sessions will be designed for different levels of implementation**, so you can decide which portion of the day best meet your needs, or attend both sessions.

### Network focus

- School district curriculum philosophy
- School district policies related to curriculum
- Curriculum and Educator Effectiveness—how they work together
- Process for updating curriculum
- Aligning curriculum goals and timelines
- Roles and responsibilities
- Publishing courses
- Using BYOC as a living document
- Applying the Common Core Standards of Mathematical Practice and Disciplinary Literacy to all courses
- Reports in BYOC and how they can be used

### Who should attend?

- Dir./Coords. Curriculum, Instruction, Assessment and/or Technology; Principals

### Additional information

Please contact Mary Ann Hudziak at [mhudziak@cesa6.org](mailto:mhudziak@cesa6.org) or (920) 236-0523
