

Learning that works for Wisconsin

Business, Marketing and Information Technology CTE Standards Development Workshops September 23, 2014

*Sponsored by: Department of Public Instruction &
Cooperative Education Educational Service Agency #5*

Who: All Business, Marketing and Information Technology Instructors

What: Professional development training on the revised BM&IT state standards

Where: CESA #5
626 E. Slifer Street
Portage, WI 53901

Why:

- **Collaborate with your fellow Business, Marketing and Information Technology colleagues to share the following:**
 - local curriculum implementing the revised CTE standards
 - educator effectiveness practices, outcomes, and professional goals
 - best practices of implementing the Wisconsin Common Career Technical Standards (WCCTS)
 - community connections to the powerful outcomes of CTE and opportunities to showcase student success
- **Align classroom activities and assessments to the revised Business, Marketing and Information Technology standards.**
- **Investigate industry certifications and local curriculum assessments associated with the Technical Skill Academic Incentive Grants supported by Act 59.**

Cost: Free to CESA 5 Carl Perkins Consortium Schools
\$25 for non-consortium school districts

Lunch and snacks will be provided.

Register at:

<http://login.myquickreg.com/event/event.cfm?eventid=10271>

Workshop attendees need to bring a copy of their revised CTE standards. A classroom set of standards will be provided to the attendees; however, all books will be collected at the close of the workshop. In addition, prior to the workshop, attendees will need to complete a brief survey. A survey link will be provided after registration.

Tentative Agenda

- 8:30 Continental Breakfast and Registration
- 9:00 Welcome, Attendee Introduction, Review Pre-Workshop Survey Results
- 9:30 Collaboration Session I:
- local curriculum implementing the revised CTE standards
