## Add+VantageMath Recovery™

Informed Assessment for Math Teaching

**July 27, 28, 29 and 30 2015 • 8:30 a.m.—3:30 p.m.**

**Instructor: Lori Loehr, Effectiveness Project and Math Center Coordinator**

### Course description

Add+VantageMath Recovery™ (AVMR) Course 1 is a unique approach to professional development, assessment and teaching in mathematics. The AVMR program is designed to provide teachers with efficient and effective assessment tools to recognize their students' current understanding of number concepts, and to support data-driven instruction.

### Course objectives

- Learn to use effective assessments that reveal students' true conceptual understanding and level of proficiency with computation and number sense.
- Practice informed assessment techniques and develop processes for incorporating these practices into your instruction.
- Apply teaching strategies to guide development of mathematical reasoning.
- Utilize current resources to address learning needs of students.

### Who should attend?

- Elementary Administrators, K-5 Teachers, Title I / Special Education Teachers
- Note: Title I and / or Title II funds can be used for the registration fee for this training*

### Graduate credit

- 2 graduate credits will be available through the University of Wisconsin Oshkosh for \$400
