Presenter:

Description

If you are a teacher of grades K-6, you may be asking, “Should I teach grammar in my classroom on a daily basis? How would I go about doing this? And how can I teach grammar so it isn’t boring to my kids?” These questions and more will be answered in this one day session. The participants will be using mentor texts as the cornerstone for how best to teach grammar. We will also utilize current writing units of study to embed Language Standards and purposeful grammar lessons to match the writing unit.
