Candie Lehto, CESA 6 Educator Support

Being a PDP team member is a unique opportunity to provide collaborative, professional support of new teachers, administrators, and pupil services professionals in Wisconsin's schools. Participating on a PDP team not only contributes to the professional growth of the educator, it can also enhance your professional development and professional practice. School districts are required to have trained administrators and teachers available to serve on the PDP team of an initial educator in that district.

Training components

Training for **NEW** PDP Team members requires an online training component and a half-day, in-person training. Prior to the CESA 6 PDP Reviewer Training & Certification workshop, participants are required to complete an online work module. ***The deadline for the online course-work is one week prior to the PDP Reviewer training.***

Who should attend

NEW PDP Reviewer Team Members: District and school administrators, teacher mentors (those with a current Professional Educator license), education specialists, Institution of Higher Education (IHE) faculty
