

# Instructional Leader Network

## LITERACY LEADERS - MATHEMATICS LEADERS - INSTRUCTIONAL LEADERS AND COACHES

CESA 9 is offering a (3) -session Instructional Leadership Network Series aimed at developing a professional learning community of instructional leaders. The goal of this network is to build capacity in teacher-leaders so they can support the range of complex tasks they are assuming within your schools.

Network meeting topics for all will include:

- Leadership skills
- Instructional conversations and coaching skills
- Assessment practices and using data
- Lesson design and effective instructional practices
- Connecting the work with the DPI and CESA 6 models and timelines for Educator Effectiveness

**SPECIAL** Breakout Sessions at each meeting for Literacy & Mathematics Leaders to include:

- Networking with other like-content leaders
- Curriculum and resource investigations and sharing
- Literacy and Mathematics best instructional practices
- Ideas, strategies and tools to bring back to their colleagues
