# Substitute Teacher Training

**Saturday, January 9, 2016 • 8:30 a.m.—3:30 p.m.**

**Ellen Olson,  
CESA 6 Effectiveness Project Coordinator**

## Description

Wisconsin school districts are in need of, and want to hire and retain qualified substitute teachers. Wisconsin enacted a rule allowing school districts to hire non-certified teacher substitutes. To be issued a three-year, short term substitute teacher permit, individuals must hold a (four year) Bachelor's degree, receive appropriate training, and be sponsored by a school district. Our training will teach and engage prospective substitute teachers in activities that mirror real classroom situations. Our certified instructor will model a variety of teaching methods that substitute teachers can use in the classroom. Additionally, participants will gain a deeper understanding of effective teaching principles in order to prepare for future substitute teaching assignments.

## Training topics

- \* Introduction to substitute teaching
- \* Practical tips and guidelines for being effective in the classroom
- \* Classroom management techniques
- \* Important health and safety information
- \* Age-appropriate learning strategies
- \* Special Education
- \* Sample lesson plans
- \* Substitute teacher permit application process

## Who should attend?

Individuals who hold a (four year) Bachelor's degree from an accredited college or university, but who do *not* already have a teaching license or a substitute teacher permit.

## For additional information
