

**CESA 8 Presents
3 Google Classes**

Welcome to Google: Navigating Drive, Gmail, Calendars

November 3, 2015
9:00 AM—3:00 PM

Participants will all participate in the use and learning of the Google core apps. You will engage in building tools and resources that can be used the next day! Learn how to maximize the amazing suite of tools for collaboration, assessment, lesson planning, presentations, and more!

Drive in the Classroom: Docs, Slides, Forms, Sheets

January 20, 2016
9:00 AM—3:00 PM

Participants will dig deeper into the apps and extensions available in Google to develop a catalog of resources for their own grade level and students. Become proficient in applying powerful tools to automatically grade assignments, create portfolios, engage students, personalize instruction, blend learning, and more!

Advanced Google: Extensions, Apps, and Add-ons!

February 23, 2016
9:00 AM—3:00 PM

Step-up your Google goodness by customizing and differentiating your instruction through Chrome Apps, Extensions, and Add-Ons. Learn how to create quick assistive tools for students of all abilities.
