Intervention Strategies Comprehension Focus Groups

February 10, 2016 • 9 a.m. - 2:30 p.m.

CESA 6 Literacy Center presenter:

Erin Loritz, Coordinator

Description:

Comprehension Focus Groups: Are for children who are reading at the transitional level and beyond in grades two to six, and who are having difficulty comprehending the wide range of text genres as they move up the grades. The interventions are designed to help students develop reading and writing knowledge for three major text types: literary, informational, and persuasive. The intervention includes two major components: 1) students participate in a comprehension focus unit around a specific text type or genre for a minimum of 3 weeks, and 2) students participate in the writing process by developing an original piece of writing within the genre of the focus unit.

Workshop Objectives

- Align small group intervention with classroom instruction;
- Build small-group interventions based on the Comprehension Intervention Model.
