Course Description:

WISELearn is a statewide initiative through the Department of Public Instruction. Part of this portion of the WISELearn project is creating a digital content repository of highly-vetted, standards-aligned digital content to include lesson plans, videos, simulations, games, project- or problem-based activities, etc. Learn more about WISELearn here: <http://dpi.wi.gov/wiselearn>

Each WISELearn Digital Content Curation workshop will bring in participants in specific content areas (current focus is on mathematics, science and ELA which will expand as the project progresses) to curate digital content and process it through standards-aligned rubrics, with emphasis on ACHIEVE OER, EQUIP and content standards. Content meeting outlined criteria will then be held for a final content review and uploaded into the WISELearn Educator Portal Digital Content Repository, making it available to all Wisconsin educators, free of charge.

Prior to the face-to-face workday, participants are expected to complete frontloaded online training in the Achieve Equip OER Standards, metadata and metatagging, copyright/attribution rights of digital content and vetting protocols. Following the curation work day, participants will be expected to take a piece of digital content curated and a lesson plan as well as reflective paper of implementation and lessons learned of the curation process and the impact of quality, vetted content on student learning.

Conceptual Framework:

The mission of Viterbo University is to prepare students for faithful service and ethical leadership. In keeping with the mission of Viterbo University, the School of Education has as its mission the preparation of educators who are grounded in Franciscan values and possess the knowledge and skills to be reflective decision makers for the 21st century.

Viterbo University Programs in Education have adopted the Wisconsin Standards for Teacher Development and Licensure, also known as INTASC (Interstate New Teacher Assessment and Support Consortium) Standards. Each course contributes to the development of one or more of the WI/INTASC Standards, and specific content standards where applicable.

Franciscan values permeate the program. The focus of every professional education course is on the learning of the PK-12 pupil. Viterbo education courses infuse constructivist practices, use of technology, PK-12 collaboration, awareness of diversity, traditional and authentic assessment, research, and real-world experiences into the professional development of the teacher. The course will utilize a blend of traditional and authentic assessments.

Graduate courses are intended to provide each learner with an opportunity to **extend and broaden** professional knowledge. The learner will use personal skills of listening, communication, collaboration, and inspiration to further deepen his or her knowledge and to extend his or her preparation for leadership.

Texts & Readings: Please list the text(s) and/or required and recommended readings used in the course, in **APA format**. Please also include ISBN number for books that students must purchase and use the most current edition of the text. Attendance Policy

Viterbo University challenges students to be learners who assume responsibility for being part of a community of scholars. Student presence and participation in the classroom is an important component of this challenge. Each student is encouraged to develop a professional work ethic that reflects responsibility, initiative, and teamwork. In light of the above, students are expected to attend all classes. Students who are absent from class miss opportunities to contribute to the learning environment of the classroom and to learn from their colleagues. Each program has specific attendance policies. Absences from class may result in a loss of college financial aid. Federal regulation requires that students make satisfactory progress toward a degree in order to retain federal financial aid.

Please note class hour requirement: For every hour of class time, there is an expectation of two hours of work time outside of class.

What does this mean?

<i>Credits</i>	<i>Class Time</i>	<i>Out of Class Time</i>
1	12.5 clock hours (750 Minutes)	1800 minutes = 30 clock hours
2	25 clock hours (1500 Minutes)	3600 minutes = 60 clock hours
3	37.5 clock hours (2250 Minutes)	5400 minutes = 75 clock hours

Methodology:

This course is blended in that there is required online training prior to convening face-to-face for collaboration, vetting procedures and collaborations in the curating process. The implementation of the lesson plan and reflective essay are meant as reflective practice and application of new learning from the workshop.

Evaluation Tools:

Evaluation is evident with the curation of at least two pieces of high-quality, collaboratively vetted digital content in the content areas of the given workshop focus. Demonstration of knowledge will be assessed throughout the vetting process as questions and discussions take place regarding quality, standards-alignment, and developmentally appropriate and OER-aligned content for student learning. Active participation in vetting protocol and curation discussion is paramount to being able to curate high-quality content.

Course Grade Calculation:

Please explain how the assignments will result in the final course grade.

Please know that Viterbo University uses the A, AB, B, BC, C, CD, D, F letter grade format for reporting purposes.

Grading Scale:

A	95-100%
A/B	90-94%
B	85-89%
B/C	80-84%
C	79-83%
C/D	74-78%
D	70-73%

Americans with Disabilities Act (ADA): If you have a disability and require auxiliary aids services, or accommodations for this class, please inform this professor and Jane Eddy, the disability coordinator (located in the Academic Resources Center in MRC 322 or at 608-796-3194 to discuss your needs.)

Academic Integrity: Viterbo students are expected to follow a policy of academic honesty. The willful violation of these standards will result in actions being taken against students who are caught engaging in such unethical conduct. Violations of that integrity may include cheating, plagiarism, falsification of information, and other similar or related conduct. Please visit the Master of Education [website](#) for a detailed explanation of this policy.
