This is a training opportunity blended learning course that consists of two components.

First is the online component during which participants will complete online training modules at the Crisis Prevention Institute web page as part of the CESA 9 NVCI Early Childhood Hybrid Full Course. The online portion of the NVCI course can be completed in 2-3 hours and must be completed prior to the training on February 22, 2016.

Second is the face-to-face training at CESA 9 where participants will engage in direct instruction, content verification/assessment, Personal Safety techniques, and Non-violent Physical Intervention techniques. Once your registration has been received at CESA 9, you will receive an e-mail from the Crisis Prevention Institute (CPI) with instructions and login information for the online component.

Again, the online component **MUST** be completed prior to February 22nd for you to participate in the training.

### **Target Audience:**

Administrators, Teachers, Paraprofessionals, and support staff that work with children
