AM Session 8:30-12:00

PM Session

12:00-12:30

**Wisconsin School Mental Health Framework:
Shifting Adult Perspectives and a Roadmap for
Next Steps**

Lunch only for people staying for CESA #9 Safe & Healthy Schools Coordinators' Meeting

During this half-day workshop you will explore the Wisconsin School Mental Health Framework, adult attitudes that lead to engagement of students with mental health challenges, and needs assessment that will guide future work in your school.

12:30—2:30

CESA #9 Safe & Healthy Schools Coordinators' Meeting

Topics Include:

- Establishing empathic connections with students and parents
- Co-planning with students, parents, and providers
- Core elements to consider when adopting the WI SMH Framework
- Exploring a needs assessment for aligning school mental health strategies with your school's PBIS foundation

- DPI & WI Safe & Healthy Schools Center updates
- Marijuana—Did you know?
- Resources
- Academic & Career Planning (ACP) Update
- Coordinators' Sharing

Presenters:

Beth Herman, DPI Consultant, Safe Schools/Healthy Students

Christie Gause-Bemis, DPI Consultant, SS/HS

Sue McKenzie, Co-Director, Rogers InHealth, Rogers Memorial Hospital
