PM Session

12:15—3:00

CESA #9 Pilot Schools Share Their Planning & Implementation Experience

- **Brooke Davis**, School Counselor, Edgar
- **Craig Rismon**, School Counselor, Northland Pines

A Look at the State Selected ACP Software System—Career Cruising

- **Len Larsen**, Career Pathway Director, Lakeland Union High School

In 2006, Len began using Career Cruising as the software data system to support students' Personalized Career Portfolios. He will be sharing his experience with Career Cruising. Len has used Career Based Education as an extremely effective tool for motivating all students to achieve their Career Dream.

Cost: \$25/person for School Improvement (SI) members (all CESA #9 school districts are SI members) - lunch not included

\$115 for Non-SI members
