

CESA #4 and IM Education present:

August 10 & 11, 2016

Argumentation Summer Institute

Audience:

- ★ All content area teachers grades 6-12
- ★ Educators interested in growing thinkers and writers
- ★ Participating 2016-2017 REACCT school teachers

Day 1

- ★ Frame a common understanding of argument and critical thinking
- ★ Determine how argument fits into all content areas
- ★ Learn how critical thinking plays a role in argument
- ★ Analyze student argumentative writing
- ★ Learn how to tie argumentation into authentic student learning outcomes
- ★ Engage in flash debate as a launch into writing

Day 2

- ★ Practice argumentative writing
- ★ Learn strategies and approaches for providing student/writer feedback in the writing process through meaningful conferring
- ★ Gather tools for formative and summative assessment
- ★ Develop a plan for integrating argument in your classroom
