TUESDAY, DECEMBER 13, 2016

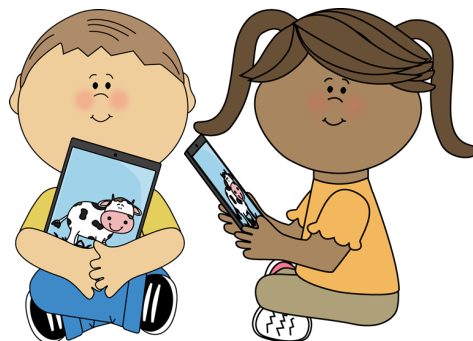

9:00 AM—2:00 PM

REGISTRATION WILL BEGIN AT 8:30 AM

Student-led Tech Clubs can offer students opportunities to engage, explore, and enrich their education through activities that might not be part of the general curriculum. In addition, students will develop leadership skills, managerial skills, and refine their tech skills as they create their own clubs based on interests. Gamers' Club, Coding club, robotics, Legos—the structures and purposes are endless!
