

This event is presented by the CESA 6 Dynamic Learning Collaborative

Engaging Parents and Families

Wednesday, February 22, 2017 – 8:30 a.m. to 3:30 p.m.

Presenter: Lori Rugotska, Ed.D., Dynamic Learning Collaborative Coordinator

Description

Spend some time digging into the current student engagement data that is available in WISEdash, explore sources of engagement data and investigate deliberate ways to engage parents and families in your school/district

This investigation will center around looking at family engagement in the context of:

- Supporting families in building stronger relationships with their children.
- Creating a welcoming and engaging climate with strong relationships and communication between families and school staff.
- Partnering with families to support student achievement.
- Investing families and community in school success.

Prepare

- While not required, it would be helpful for each attendee to have access to data in WISEdash (WISEdash access to student detail analyst level).
- Bring any local engagement data you may want to review.
- Bring a laptop.

Who Should Attend?

Individuals or teams that include representatives from the following: administration, special education, classroom teachers, Title I, guidance, and ELL.
