

Career Cruising for CTE Teachers!!!

At CESA #4

Are you familiar with the CAMS management side of the Career Cruising program?

Do you know how to set up courses and career exploration activities for your students?

Do you know how to connect with parents through Career Cruising?

Would you like to learn how to upload and/or set up Programs of Study in Career Cruising?

If you answered yes to these questions, or have some of your own, please join us at CESA #4 on January 11!!!

TWO OPPORTUNITIES!!!!

Wednesday, January 11, 2017

12:30-3:00 pm

[Click HERE to register!](#)

OR

Wednesday, January 11, 2017

CTE Network Night

4:30—7:00 pm

[Click HERE to register!](#)

Steve Yaun from Career Cruising will be joining us to show you how you can use the Career Cruising software to enhance students' career exploration experiences and parents' involvement in those experiences. You will learn how to navigate the software, work with your instructor side (CAMs) and understand this powerful tool. **These events are free to CTE teachers and counselors in any of the CESA #4 CTE programs, \$50 for all others.**

Questions, please contact Sherri Torkelson at storkelson@cesa4.org.
