

PBIS Networking & Supported Work Time

**Date: January 17, 2017
9:00-3:00**

Workshop Description-The morning will extend learning and provide PBIS networking opportunities for districts to share with colleagues around critical elements of PBIS implementation.

The afternoon will be supported work time for teams to plan for second semester. Teams can participate in allotted work time as needed. PBIS network TACS and CESA 2 staff will be available to answer questions and provide resources.

This workshop offers an opportunity for PBIS teams to extend their learning with PBIS and network with other schools around strengths and challenges in implementing PBIS.

This workshop offers an opportunity for PBIS teams to learn from colleagues in other districts around strengths and challenges in implementing PBIS. It is also a great opportunity for teams to engage in planning for second semester with support available to answer questions and provide resources.
