

## Tier 1 Booster

Kent Smith, Milaney Levenson

Regional Technical Assistance Coordinators

March 13, 2017

*Intended for new team members moving onto existing teams  
Or previously trained teams that would like a review*

### Description:

This day long session is instead for new team members moving onto existing teams, or previously trained teams who want a review the Universal PBIS Framework. This is not a full tier 1 training.

Topics can include:

- ◆ Key aspects of a universal level of support
- ◆ Technical and adaptive features of the aspects
- ◆ Provide a chance for participants to review their current systems

### Who Should Attend:

New team members to existing teams. Any previously trained team that would like a review of the Universal PBIS Framework.

### What to Bring:

Participants are expected to bring at least one laptop and their existing Universal materials including data, system assessments, cool tools/lesson plans, matrix, etc.
