Description:

This two-day training is a highly interactive session to help participants at all levels implement The Creative Curriculum® for Preschool in their classrooms. Participants will first become familiar with the 38 objectives for development and learning that informs every aspect of teaching. They will then explore and practice using all of the pieces that make up the curriculum: Foundation volumes, Teaching Guides, Mighty Minutes®, Intentional Teaching Cards™, and Book Discussion Cards™.

One Grad Credit available through Viterbo for an additional cost.

Credit information and requirements will be discussed on August 21.

Deb Zapalik is a veteran and licensed Creative Curriculum trainer. She comes to this work with extensive knowledge in providing professional development, coaching, and mentoring to teachers, coaches, and administrators. Her own teaching background includes administering large federal programs, working with school districts, private child care, Head Start, Early Head Start, and teaching in large universities.
