

Universal Design for Learning— designing and delivering instruction to meet the needs of all learners!
A 4-part series for PK-12 teachers and school leaders.

Let's Get Started! UDL Now

Recognition Networks

The "what" of learning

Strategic Networks

The "how" of learning

Affective Networks

The "why" of learning

- ♦ Excellent opportunity for professional development: improve and optimize education for all learners
- ♦ Series culminates with national UDL expert Katie Novak (author of *UDL Now!*)
- ♦ Each participant receives copy of latest edition of *UDL Now* (2nd Edition)
- ♦ Individuals are welcomed but school teams comprised of a school/district leader and teachers (both regular and special education) are strongly encouraged

Katie Novak is the author of Revised and Expanded Edition: *UDL Now! A Teacher's Guide to Applying Universal Design for Learning in Today's Classrooms*, which has sold over 20,000 copies worldwide. Her other two publications, of which she is a co-author, have been endorsed by leading professors in the field of education and state departments of education. As an example, *UDL in the Cloud* was endorsed by the Executive Director of The Initiative on Learning and Teaching at MIT. Mitchell Chester, the Commissioner of the Massachusetts Department of Elementary and Secondary Education (DESE), endorsed *Universally Designed Leadership*.
