

LLI INTERMEDIATE TRAINING

THURSDAY, SEPTEMBER 28, 2017 & FRIDAY, SEPTEMBER 29, 2017

LLI Intermediate is an initial training for LLI Intermediate System users. Intermediate systems include Red, Gold, Purple and Teal only. Participants do not have to be trained in LLI Primary as a prerequisite. This two day training will provide a foundation for the intervention materials, procedures, instructional routines, and lessons. Particular attention will focus on the high quality texts, built-in and placement assessment as well as emphasis on transfer skills to the classroom. Participants should have access to LLI Intermediate materials for the training. By the end of the training participants will be prepared to plan for beginning intervention using LLI Intermediate Systems.
