## Description

The WIDA Screener is an English language proficiency assessment given to incoming students in Grades 1–12 to assist educators with the identification of students as English language learners (ELLs). The purpose of this assessment is to help educators make decisions about whether a student is a candidate for English language support services.

WIDA has updated the Screener to an online process beginning with the 2017-18 school year. There are new certification materials and quizzes for grades 1 - 12. ***There are no changes to the Kindergarten MODEL Screener.***

Participants will need to bring a laptop to complete the training and access the quizzes on the internet.

## Workshop objectives

- The goal of this workshop is to certify you as a test administrator for the WIDA Online Screener.

## Who should attend?

- Anyone who will be responsible for administering the WIDA Online Screener test to English Language Learners.
