# Professional Development Plan (PDP) New Reviewer Training

**Ellie Olson, CESA 6 Coordinator**

## Description

Being a PDP team member is a unique opportunity to provide collaborative, professional support of new teachers, administrators and pupil services professionals in Wisconsin's schools. Participating on a PDP team not only contributes to the professional growth of the educator, it can also enhance your professional development and professional practice. School districts are required to have trained administrators available to serve on the PDP team of an initial educator in that district.

## Workshop objectives

Training for **NEW** PDP team members requires an online training component and a half-day, in-person training. Prior to the CESA 6 PDP Reviewer Training & Certification workshop, participants are required to complete an online work module. Online work is estimated to take 5-10 hours to complete. ***The deadline for the online course work is one week prior to the PDP reviewer training.***

## Who should attend?

**NEW** PDP reviewer team members: district and school administrators, teacher mentors (those with a current Professional Educator license), education specialists and Institution of Higher Education (IHE) faculty.
