

Danielson Evaluator Recertification Bootcamp!

JULY 26TH OR AUGUST 11TH

- Evaluators of teachers are required to recertify on the Danielson Framework for Teaching every 4 years. This event will allow evaluators to spend a day with Teresa Lien (a Danielson Group Trainer) in a review of Domains 2 and 3 to prepare for the assessment.
- Each event is being offered as a face-to-face workshop or available via Zoom – both options are open to evaluators across the state. Preregistration is required on myquickreg for either option.
- Local CESAs may be offering an on-site opportunity for a collaborative session via Zoom on these dates. Contact your local CESA for details.
