

WISCONSIN RTI FRAMEWORK: A SCHOOL-WIDE APPROACH TO IMPLEMENTATION

Objectives

- Reach a shared understanding of the Wisconsin RtI Framework for reading and/or mathematics.
- Analyze and identify their level of implementation using the School-wide Implementation Review (SIR).
- Create an action plan to address high priority areas.
- Explore activities and resources to support school staff understanding and buy in.

Audience

School-level leadership teams of three or more, to include:

- Principal (essential)
- Representation of general education and special education
- Specialists in the content area (either mathematics or reading) addressed by the school during this training. Examples include reading specialists, ESL, Title One, mathematics instructors, pupil services, RtI coordinators, school psychologists, gifted and talented coordinators

School teams will learn how to establish or improve their culturally responsive multi-level system of support.
