

School SBIRT BOOSTER

(Screening, Brief Intervention, and Referral to Treatment)

This Booster training is designed for school teams or individuals who have attended School SBIRT training in the past and are looking to review motivational interviewing (MI) skills, restart implementation plans, and refocus and motivate teams to implement School SBIRT.

The purpose of this training is to:

- Review the spirit of MI, Four Processes, MI core skills of Open-ended questions, Affirmations, Reflective Listening, and Summaries (OARS)
- Practice evoking change talk and softening sustain talk
- Review and practice the School SBIRT protocol
- Reestablish clear implementation goals/plans to improve school-wide implementation and data collection
- Identify challenges in the implementation plan and develop solutions to these challenges
- Develop skills to become effective leaders in implementing school SBIRT

The overall objective is to increase the school's effectiveness in implementing School SBIRT. Upon completion of the Booster Training, schools will have updated implementation plans. Participants must bring a copy of their schools implementation plan to the training.
