Career Cruising

Presenter: Sue Hall

Educational Sales Consultant Career Cruising

Description

Career Cruising is a web-based career exploration and planning system that helps students plan their futures. Students can use assessment tools to determine which career is the best fit for them, then explore detailed occupation profiles and examine comprehensive post-secondary education information. This tool will be used by school districts in Wisconsin to support the overall delivery of Academic and Career Planning (ACP).

Workshop objectives

- Career Advisor Management System (CAMS) tools for managing student ACP portfolio work
- Establishing counselor/advisor and teacher student group lists and related management functions
- Exploration of individual and aggregate student data reports and how the data can be used
- Examination of the recommended ACP Completion Standards, including the related Reflect & Confirm functionality and modifying the recommended standards
- Accessing and using the new Help Desk section of Career Cruising, including Users Guides, Classroom Activities, Webinar Recordings, and other available educator resources
- College and Scholarship Application management tools in CAMS
- The Student Surveying Capability through CAMS
- Parent/Guardian Portal - administration and strategies to engage parents
- The Inspire Business and Industry Connection (this will be covered in the CESA 6 regions in which Inspire will be active during the 2017-18 school year)
- Best Practices discussion and sharing ideas
- Time for Questions & Answers throughout the session

Who should attend?

Grades 6-12 district ACP teams/school administrators, teachers; grades 6-12 school staff designated as trainers for the Career Cruising software in their buildings; and post-secondary staff/partners engaged in ACP development with the school districts.

** Please be sure to bring a laptop with you for a hands-on experience (along with a power cord).
