Notice & Note in Nonfiction

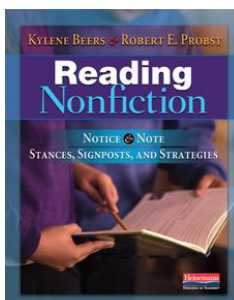

Supporting Nonfiction Reading across All Content Areas (Grades 6th – 12th)

Fri., Jan. 26, 2018 • 9 a.m. to 2:30 p.m.

Presenter: Erin Loritz
CESA 6 Literacy Center Coordinator

Description

This workshop will take a deep dive into the work of Kyrene Beers and Robert Probst's text, [Reading Nonfiction-Notice & Note Stances, Signposts and Strategies](#). Participants will examine the six signposts that help readers notice significant moments in nonfiction texts. Additionally, we will examine text-dependent questions, rigor and text complexity and ways to support reading of texts across all content areas. Multiple examples and strategies will be shared. Teachers will leave this session equipped with ideas for immediate implementation of signposts into their instruction.

Workshop objectives

Teachers will:

1. Understand the connection between the strategies presented and the Common Core State Standards.
2. Examine the research behind the strategies and why they work.
3. Have a process for implementation into their curriculum.

Who should attend?

6-12th grade ELA teachers and content teachers whose courses include reading nonfiction texts, Literacy Coaches and Administrators.
