

District Assessment Coordinator (DAC) Professional Development Networking Sessions

All sessions are designed specifically for District Assessment Coordinators (DACs) and other district assessment leaders. We will. . . .

- Come together for professional development in the area of new and existing state assessments
- Develop implementation strategies and supports for upcoming assessments that will be utilized by districts this year
- Network and share best practice strategies and resources

New DAC Workshop

This session has been developed specifically for those new to the District Assessment Coordinator role. New DACs will dive into the required assessments, calendars for implementation, and develop, define, and identify the tasks and personnel in their districts that are necessary for the successful implementation of the WSAS mandated assessments at grades 3-11.
