

STUDENT CONFIDENTIAL:

DATA PRIVACY CERTIFICATION TRAINING

TUESDAY, NOVEMBER 28, 2017

9:00 AM - 3:00 PM

We all know that student data privacy is a concern for us as we move more and more in a digital realm. This workshop will walk those who deal with student data step-by-step through DPI-approved data privacy modules, learn about student data privacy laws, and explore local platforms used in your individual district into how student data is affected through these (i.e. Career Cruising, SEEDS, Inspire, Facebook). Upon completion, participants will earn a Data Privacy Certificate.

Questions? Contact Kaye Henrickson, khenrickson@cesa4.org or Jessie Sloan, jsloan@cesa4.org.
