The award-winning Get Set for School® Pre-K curriculum uses lively music and playful activities to help young children build a solid foundation for school success. This upbeat workshop introduces a readiness curriculum full of developmentally appropriate activities that teach children about letters, body awareness, numbers, sequencing, and sharing in a fun, engaging, and informal manner.

Objectives:

- Plan your instruction based on developmental stages for writing readiness
- Model activities that develop important social-emotional skills, including body awareness, taking turns, and sharing
- Practice using Wood Piece Play to teach size, shape, and position concepts for pre-writing and sensory motor skills
- Identify how music and hands-on play can boost capital and lowercase letter recognition
- Experience our step-by-step approach to effectively teach coloring skills
- Use Hands-On Letter Play to build beginning habits for letter and number formations
- Use My First School Book to help children progress from tracing their letters and numbers to writing their names
