

Employment of Minors in Wisconsin: A Seminar for Employers and Educators

You are invited to join Cooperative Education Service Agency (CESA) #4 and the 7 Rivers Alliance for a seminar on current laws and exemptions in the employment of minors.

In an effort to keep employers informed of these laws and related exemptions, expert Jim Chiolino, Director of Wisconsin's Labor Standards Bureau and deputy administrator of the Equal Rights Division at the Wisconsin Department of Workforce Development, will give an overview of Child Labor Laws from 9:00-10:30 a.m. with a Q&A session to follow.

Topics being covered will include work prohibited to minors, exceptions to prohibited employment provisions ("student learner" provision), minimum wage and "opportunity" rates, and work permit requirements -- including those in work-based learning programs through school districts. These would include Youth Apprenticeships, Co-op programs, and similar supervised work programs.
