

2018-2019

ACADEMIC & CAREER PLANNING WORKSHOPS

OCTOBER 1, 2018 ^

ACP & CAREER CRUISING 101

ACP & Career Cruising 101 will be an overview of the requirements within a districts Academic Career Plan for all students grades 6-12. The Career Cruising portion will cover the career exploration software available to all 6-12 grade students. Teachers will be introduced to the CAMS side of Career Cruising to assist with managing students and setting up activities.

REGISTER BY CLICKING THE DATE OR BY VISITING WWW.MYQUICKREG.COM

NOVEMBER 8, 2018 ^^

ACP FINDING THE PURPOSE

ACP Finding the Purpose will help ACP team begin an evaluation process. Teams will define ACP goals, discuss what did/not work, available data, and surveys. This workshop will be the beginning of the ACP evaluation process and will lead into the Evaluate Your Purpose Through Data workshop on March 4, 2019.

DECEMBER 12, 2018 ^

ACP WHERE ARE THE JOBS

ACP Where Are The Jobs workshop will introduce school staff to local businesses and the jobs available in our region. School staff will be able to learn and discuss what employee skills and academic preparation is needed for direct entry employment. This is a great workshop for all academic subjects to learn about the application and relevance of classroom preparation for the workforce.

MARCH 4, 2019 ^^

EVALUATE YOUR PURPOSE THROUGH DATA

Evaluate Your Purpose Through Data will be an extension of the ACP Finding the Purpose. Teams will examine their data and findings and complete a root cause analysis.
