

CESA #4 Spring CTE Leadership Workshop April 25, 2019

Tentative Agenda

9:00 Introductions, successes, promising practices and new ideas

9:15-10:30 Career Education (formerly CTEERS) and Roster
-Work-based Learning codes
-IAC codes, Career Pathways, Non-traditional (NTO) designation, and Concentrators
-Data entry, questions, discussions, best practices you may have identified for entering/confirming data, sharing flags you may have received regarding this in your system and how you've responded

When this discussion with the whole group is finished, we'll break into 2 groups:

SIS staff	CTE staff
The Student Information System people can take from now until lunch (11:30) to work collaboratively on their data entry of Career Education information; Jessie Sloan will be on hand for this section.	The CTE designees will continue with the agenda below.

10:30 State Budget updates (Governors and DPI) and impact on CTE

Perkins V Re-authorization, 2019-2020 timeline and plans

Dr. Carol Mooney, UW-Stout: Experience Based License seminars, the emerging Center for CTE and the annual CTE Summit
