

GIFTED AND TALENTED  
**GEOCACHE**  
**EVENT**

May 15th, 2019 -or- May 16th, 2019  
9:00AM-2:00PM

Come and join us at CESA 4 for the Gifted and Talented Geocaching event! Students will use technology, engineering, and coding to investigate how GPS systems work, learn how to program and plot their own geocache, and spend time outside searching for area caches. Students will also design their own cache and a series of clues in order to apply and share their new skills in a creative way with their classmates back at their school.

Cost for the event is \$150.00 for teams of up to 4 students and 1 adult advisor or **FREE** for MVGT Consortium Members.

Registration is open for two dates:

9th-12th Grades: May 15th, 2019 (Rain Date: May 22nd, 2019)

4th-8th Grades: May 16th, 2019 (Rain Date: May 23rd, 2019)
