## **WISCONSIN STANDARDS FOR SOCIAL STUDIES: ELEMENTARY SCOPE AND SEQUENCING**

An exciting component of the revised standards is increased structure for districts who want it for K - 5. The standards are sorted into grade level bands (K-2, 3-5), but also into grade level suggestions for teaching and learning. In addition, an appendix for a suggested K - 5 scope & sequence for social studies offers a foundation for districts to open discussions about what they want their students to know and be able to do in social studies before leaving 5th grade.
