

This event is presented by the CESA 6 Career and Technical Education

Supporting Academic and Career Planning Scope and Sequence

Wednesday, December 5, 2018 – 8:30 a.m. to 3 p.m.

Description:

Career Cruising is a web-based career exploration and planning system that helps students plan their futures. Students can use assessment tools to determine which career is the best fit for them, then explore detailed occupation profiles and examine comprehensive post-secondary education information. This tool will be used by school districts in Wisconsin to support the overall delivery of Academic and Career Planning (ACP). There will also be an overview of the Inspire components and Course Planner.

Workshop objectives

- Career Advisor Management System (CAMS) tools for managing student ACP portfolio work
- Using CAMS to obtain data in order to share your “ACP Story”
- Learn how the data from CAMS can pinpoint improvements in the use of Career Cruising
- Updates regarding Inspire implementation
- Course Planner overview
- Best Practices discussion and sharing ideas
- Time for Questions & Answers throughout the session

Who should attend?

Grades 6-12 district ACP teams/school administrators, teachers; and post-secondary staff/partners engaged in ACP development with the school districts.

**** Please be sure to bring a laptop and power cord with you for a hands-on experience. If you need to borrow equipment from CESA 6, a rental fee will be assessed.***
