Educator Effectiveness (EE) Exchange-Data Retreat

June 19, 2019

Take advantage of this FREE opportunity to engage in a facilitated review of YOUR district and school data and lay the groundwork for targeted school improvement planning. The EE Exchange Data Retreat features:

A half-day team-based technical assistance for district and school improvement teams.*

Direct support in interpreting local EE survey data from the UW research team that administers the annual Wisconsin EE survey.**

Facilitated action planning based on the data.

Collaboration and learning with regional, district, and school leaders.

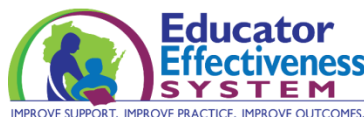

REGISTER ON MYQUICKREG TODAY

[June 19th, 8:30 – 11:30](#)

[June 19th, 12:30 – 3:30](#)

*Recommended team makeup: 3 - 10 district and school leaders, dedicated to school improvement.

**The annual Wisconsin Educator Development, Support and Retention (WEDSR) Survey developed and administered by Socially Responsible Evaluation in Education (SREED) from UW-Milwaukee.
