Come and join a great team of regional Special Education Leaders and advocates as we tackle the challenges of the position and increase our leadership capacity!

The key to successfully navigating the world of leadership in Special Education requires a network of passionate people to share their knowledge and create the best educational environments for students with the highest needs.

Come and learn best practices, ways to establish a growth mindset with your special education staff, and put FUNCTION back in Functional Assessment for a growing need in the area of mental health.

**\*FREE\* FOR SEIS (FLAGSHIP) MEMBER DISTRICTS!**

Standard session fee \$125.00/session  
includes materials, meals
