GOALS

Preview Xello for Wisconsin Student

- Help students make the most of Xello with a full overview of the student experience.
- See how students build self-knowledge, explore their career and postsecondary options, and create plans for future success.

Xello's Tools for Wisconsin Educators

- See how Xello's tools help Wisconsin educators support student success.
- Learn how to access student profiles, create and manage student groups, customize students' dashboards.
- Learn how to run reports on student progress, work, and engagement.

Intro to Inspire within Xello

- Get a preview of the revised and improved company profiles.
- Learn how you can create streamlined opportunities that provide users with the information that's relevant to them.
- Interact with the new re-envisioned Huddles- a place that allows students and mentor to connect and engage in ongoing conversations.

Session Requirements

- Every participant will need an educator account for Xello
- Prior knowledge of the Xello student experience. Please watch this webinar if you aren't familiar with the student experience.

WHO SHOULD ATTEND?
