

ACADEMIC + CAREER PLANNING WORKSHOPS

Workshops will run 9 am-3 pm each date.

Career Ed Data 101

October 30, 2019

Career Ed Snapshots are coming out in December - are you ready? Don't panic, this workshop will cover the basics of Career Ed Data and how it relates to your ACP. Learn how data is recorded, used, and how it will drive your program.

Career Ed Data 102

January 31, 2020

Not sure how to read your Career Ed Snapshot? This workshop will help you explore your district Career Ed Snapshot and provide work time to review and analyze your current snapshot, and begin planning ahead for next year!

Cost to Attend: \$150/person/date

Free to #273 member schools: ACHM, Arcadia, Bangor, Cashton, CFC, G-E-T, N-O-W, Sparta, Tomah, Whitehall, and Wonewoc-UC

Industry Based Career Exploration December 13, 2019

Explore the world of work by attending our industry-based career exploration workshop. We will be working hand in hand with industry professionals who will provide an overview of their industry, what it takes for students to pursue careers within the industry, and answer your questions! Industry announcement will be coming soon!

Parent Engagement

March 25, 2020

Did you know family engagement is part of every state and federal initiative? Come learn how to improve parent engagement with the Academic & Career Planning process! We will review best practice, a variety of strategies, and allow work time with your teams to create your own parent engagement plans.

Cost to Attend: \$30/person/date

Free to #273 member schools: ACHM, Arcadia, Bangor, Cashton, CFC, G-E-T, N-O-W, Sparta, Tomah, Whitehall, and Wonewoc-UC
