

SOLIDIFYING A GUARANTEED & VIABLE CURRICULUM SERIES

Districts could participate in any/all of the days in the series. This work will use the PLC collaborative structure to create curriculum that guarantees learning for all. This series is intended for teams* who have not yet engaged in this work within a content area OR for districts who may want to revisit one or more of the elements as part of their curriculum cycle/process.

*Teams: Collaborative teams of content area teachers. We also welcome instructional leaders (coaches, administrators, etc.).

Series Schedule
