THE EVENT

A free event for schools that purchased the Forward Exam from CESA 6

Who should attend?

Principals and teachers

The day will provide structure for review and reflection around student results on the Wisconsin Forward Exam.

What will you get?

Tools you can use

Continuous improvement tools that can be applied to your strategic processes.

What will you do?

Review the data

Eric Larsen, Director of Data & Assessment will lead you through your schools assessment results, demonstrate the best ways to interpret your student results, and model how to create a site report card.

How will you grow?

Develop professional development targets

Design and plan for your teachers and staff for the upcoming school year.

What will your team do?

Time to learn, reflect, plan and grow Throughout the day large chunks of time will be provided for you and your team to work together with the expertise of the CESA 6 staff available to support your staff and student learning.
