

World Language EdCamp

Facilitated by: **Lori Menning**

Saturday, January 25, 2020 | 9:00 AM—1:00 PM

Description

The CESA 6 World Language Edcamp is a **free**, participant-driven, unconference intended to empower World Language educators with a fun, professional learning experience in which you can learn and network with World Language teachers from throughout the region and beyond.

During the kick off at the beginning of our time together any participant can propose a session idea or topic. All sessions are laid out and then everyone attends sessions they are interested in. Come with questions and leave with answers.

The CESA 6 Language and Culture Center hopes you can join in this opportunity to lead your own learning!
