

# DATA ACADEMY

Data Academy is designed for districts to create processes and procedures to collect accurate live data for state/federal reporting. Teams will learn about the tools and resources to check school data.

## 6 Workshops:

October 8: WISEdata/dash 101

October 21: Student Populations

November 12: Fall Snapshot Ready

December 7: 1- (1 hour) Zoom meeting for State Testing Demographics

February 17: Instruction (CCR & CTE)

April 12: Spring Snapshot Ready

May 5: Year End Snapshot Ready
