

Visual Phonics - See the Sound

Visual Phonics is a system of 52 unique hand cues and symbols that represent the sounds of English. Visual Phonics can help support the development of reading, literacy and communication skills for all learners, but particularly for those who are deaf or hard of hearing.

Visual Phonics February 20th and 27th, 2021 8am - 12pm (via Zoom)

Join your colleagues for this two part series on Visual Phonics with Melissa Carrie, TDHH - CESA 4 as our ICLI Trainer. Participants must attend both workshops. A follow-up workshop will be offered to review progress with using Visual Phonics.

Cost: \$60 for Visual Phonics Materials* paid to CESA 4

Registration Deadline 2/5/21: [Visual Phonics Registration](#)
*** Materials and Zoom links will be sent after registration closes**
